Brian Barter Retires

Brian has decided that it is time to step down from the club having been involved since the late eighties being first involved with his very good friend Bill Dawes as joint programme editor.

In the years that followed he looked after the bar for ten years having help from his late Wife Maureen.

The Secretary position was taken up in 1996 when Steve Robinson stood down and during the time as Secretary picked up the SSML Napier English Electric Trophy Award for the club in 2000-01 – 2001-02 - 2012-13 – 2015-16 this for good admin and sportsmanship.

From the league he also picked up the FC Crain award for Club Secretaries in 2011-12 and the ALF Joyce trophy for outstanding service in 2018-19.

Along with the Secretary role also took the role as Chairman where he had the unenviable task of saying goodbye to at least five Managers.

He has obviously made many friends and possibly a few enemies but would like to say a special mention to the late Peter Metcalfe (Mr. Leverstock Green). He notes that the club is well respected in the football world for its hospitality and may that continue.
