Hadley 2 Vs Leverstock Green 2

Leverstock Green were once again denied a first away win in the Southern League by a stoppage time equaliser. The three additional minutes had been played and the referee was about to blow for time when Hadley snatched an equaliser. It would have been a deserved win for Leverstock, who had come from behind to lead against the team second in the league at the start of play.

Leverstock started the game well and went close to a goal in the 7th minute when Josh Dooley hit the bar with a header from a corner. Three minutes later a cross from Isaiah Hilaire was met by Luke Beckwith at the near post but he couldn't quite divert his shot on target. The game was evenly-fought for much of the half, but five minutes before the break the home side took the lead. After a shot from Billy Hayes was tipped onto the bar and over by Alfie Bonfield, the resulting corner caused a goalmouth scramble in which Isaac Stones forced the ball home. The goal stood despite protests from the Leverstock side that there had been a push in the buildup.

The second half was similarly competitive. In the 51st minute Rio Beach was released down the left on a run before crossing for Rawn Seale, whose shot bounced up off the ground and was tipped over the bar by a spectacular save from home keeper Charlie Taylor. Seale was unlucky again in the 62nd minute when his overhead shot went just wide.

Leverstock kept pushing and finally got their reward in the 72nd minute. Beach made another good run into the box before squaring across goal for Beckwith, who lashed home a fierce shot for the equaliser. It got even better for Leverstock four minutes later. Ademide Baruwa was near the angle of the penalty area when he hit a low shot along the ground which went through a crowd of players. Taylor was unsighted and dived too late to stop the ball going into the bottom corner of the net for a 2-1 Leverstock lead.

Radu-Mihai Stefanoaica had made his return from injury off the bench during the second half and had the chance to further extend the Leverstock lead ten minutes from time, running clear of the Hadley defence but putting his eventual shot just over the bar. Leverstock still held their lead as the game went into stoppage time, and they looked to have weathered a period of intense Hadley pressure as the referee looked set to blow for time with three minutes played, but the game went on and out of nowhere Stones blasted a shot from the edge of the penalty area that gave Bonfield no chance and rescued a point for his side.

Even then the referee played further time after the restart and Bonfield had to make a save just to preserve the Leverstock point, but the game eventually finished 2-2. Leverstock now have an 11-day break before their next game, which should hopefully allow some of the many players missing through injury today to get fit again.

Ware 1 Vs Leverstock Green 0

[Leverstock Green FC](#) fell to a narrow defeat in Tuesday night's Southern League Division One Central fixture at home to Ware. After a first half in which Leverstock played very well, they went into half time a goal down, and the visitors generally had the better of the second half.

Fergus Moore continues to be plagued by injuries, with Guiseppe Delgaudio, Radu-Mihai Stefanoaica, Ryan Carruthers, Gary Connolly and Jamie Breen among those unfit to play in this game. Leverstock created some good chances in the first half. In the 11th minute Ademide Baruwa set up a chance for Luke Beckwith after the referee had played a good advantage, but Beckwith's effort was wide. Baruwa played a superb pass in the 25th minute to put Rio Beach through on goal, but his shot was kept out by keeper Fred Burbidge. In the 33rd minute a cross from Beach had Dan Pett diving in to meet it, but it just eluded him.

Having been the better side throughout the half, [Leverstock Green FC](#) found themselves a goal down in the 40th minute. Alfie Bonfield did well to tip a close-range header onto the bar, but Jon Clements followed up to head home the rebound.

The second half saw Ware miss a number of good chance to extend their lead. In the 56th minute Mackye Townsend-West had a free header from a corner, but couldn't divert it on target, and six minutes later another good chance from a corner was missed. In the 68th minute Jack Dreyer hit the bar with a shot from the edge of the box.

[Leverstock Green FC](#) had created little in the second half, but in the closing minutes they came close to finding the equaliser. Ethan Mooney was denied by a save from point-blank range in the 81st minute, and Beach had a shot from similarly close range saved by Burbidge in the 89th minute. Deep into stoppage time Rawn Seale stabbed an effort towards goal that was going in until it was kept out by a last-ditch goalline clearance.

Leighton Town 2 Vs Leverstock Green 2

Leverstock Green FC twice came from behind to earn another point in the Southern League Division One Central. The Leverstock side turned in a very hard-working and battling performance against Leighton Town and were well worth their point against a team in good form recently.

It wasn't a great start for Leverstock as the visitors took the lead in the 8th minute from a very straightforward goal. Charlie Pattison rose unchallenged at the near post to head home a corner.

However, **Leverstock Green FC** got themselves into the game and went close to an equaliser in the 26th minute as a pass from Luke Beckwith put Guiseppe Delgaudio in on goal, but visiting keeper Connor Hunt saved Delgaudio's shot. The equaliser came seconds later, though, as a pass from Delgaudio put Lewis Collins clean through on goal, and Collins took the ball round Hunt before slotting into the empty net for 1-1.

It looked like the scores would be level at the break, but in first half stoppage time Leverstock conceded again from a corner. Jack Sayell's header was saved by Alfie Bonfield, but the rebound was not cleared and Sayell pounced to force the loose ball home for a 2-1 Leighton lead.

Seven minutes into the second half Leverstock were awarded a penalty as Hunt brought down Dan Pett inside the box as he chased a rebound. Beckwith stepped up to take the spot kick and sent it past Hunt to level the scores again at 2-2.

Leverstock Green FC went close to going in front for the first time in the 66th minute. A neat reverse pass from Pett gave Collins the chance to show his pace and race clear of the Leighton defence, however Collins' eventual shot went across goal and just eluded Delgaudio sliding in at the far post. Tolu Ikuyinminu had the best chance for Leighton to win the game in the 71st minute when through on goal, but hit his shot wide under pressure from a Leverstock defender. Leighton put the Leverstock goal under quite a bit of pressure in the closing minutes, but they held out to claim the point from an entertaining game.

Enfield Club History

Founded in August 1893 as Enfield Spartans by John Bruce Skinner the club spent their initial season playing friendlies. They entered their first league the Tottenham & District Junior Alliance for the season 1894-95. Moving to the larger Tucker's Field they joined the North Middlesex League in 1896 which was won in 1901-02 and 1902-03 after which 'senior' status was attained. In 1900 the Spartans was dropped which was accompanied by a move to Cherry Orchard Lane in 1903 and they joined the London League (Div2) which was won in 1911 and promotion to the Premier Division. In 1912 Enfield FC was invited to become a founder member of the Athenian League and in 1913-14 the Middlesex Senior cup was won for the first time.

Football was suspended during WW1 and on resumption they spent a season in the Middlesex & London league before returning to the Athenian League in 1921 a championship that was not won until 1961-62 and was retained in 1962-63. In 1934-35 Enfield finished second in the league reached the semi-finals of the FA Amateur Cup and won the London senior Cup for the first time before moving to a new purpose-built stadium at Southbury Road in 1936. The Athenian league was suspended during WWII although the E's did compete in the Herts. & Middlesex Combination for a short period. In 1945 Jack Rawlings and Len West both gained international caps and Hendon were defeated 1-0 in the Middlesex Senior Cup final at White Hart Lane in 1959-60 England Amateur international centre forward Tommy Lawrence netted a club record 49 goals in one season. In 1963 Enfield Hendon Hitchin and Sutton were invited to join the Isthmian League Enfield were particularly successful during this period as they finished champions on seven occasions including two hat tricks. In 1966-67 and 1969-70 the FA Amateur Cup was won and there were further visits to the twin towers (Wembley) as they reached the 1963-64 and 1971-72 finals. Enfield also won the European Amateur Cup in 1970 and the Hitachi Challenge Cup in 1979 and 1980 as well as the Middlesex and London senior cups on numerous occasions. During this 1970s period Enfield defeated football league clubs, Wimbledon & Northampton Town in the F A cup.

Enfield joined the Alliance Premier League (Now Conference) in 1981-82 and found immediate success. Having finished runners up at the first attempt they went one better in 1982/83 by securing the championship on the last day of the season at the home of the previous champions Runcorn. This was won for a second time in 1985/86, but relegation overtook them in a disastrous 1989-90 campaign. During the 1980s the FA Trophy was won in 1982 and 1988 with

"Lincoln City" being beaten en route. Also, during this period Football League clubs Wimbledon (again) Hereford, Port Vale, Exeter & Orient all succumbed to Enfield in the FA Cup. Enfield won the 1994-95 Isthmian league title by fourteen points and the following season finished level on points but lost the title to Hayes on goal difference by just one goal 1996-97 season saw them finish runners up for a second successive season; But Enfield did have more FA Cup success during the 1990s defeating Aldershot, Torquay, Cardiff & Chesterfield. The Southbury Road stadium was controversially sold for development in 1999, Decline set in and after struggling to preserve their Premier Division status during 1999-2000 & 2001-02 2003. The E's were relegated for only the second time in their history at the end of the 2002-03 season followed by a second successive relegation in 2003-04 into division 2. Enfield was being run by a new committee from November 2003 as they started the long hard journey to remove the club from the former owners failed business.

The new committee that came into the club during the 2003/04 season had a successful first season in Ryman division 2 which saw the E's win promotion into the Southern League East division 1 with a mid-table finish secured. Season 2006/07 saw the E's moved back to Ryman division 1 with another mid table finish. But another cruel twist forced the E's to resign and rename as Enfield 1893 FC after the fight to remove the club from the former owner's debt was lost and E's found themselves in the Essex senior League. The E's finished season 2007/08 level on points but as in the 1994/95 season lost out on goal difference. Hoping to go one better than in 2008/09 The E's finished second again and reached the final of the Gordon Brasted Memorial Trophy losing 3-1, For the 2009/10 season Enfield moved closer to the Borough of Enfield by ground sharing at Broxbourne Borough FC after a run in the FA Cup that ended in defeat by Conference South highflyers Chelmsford City the season petered out with Enfield finishing fourth in the League. 2010 Enfield Back in the borough after 11 years away A twist of fate in February 2010 saw Brimsdown Rovers who were struggling financially contacted the Enfield Board to let them know that Brimsdown Rovers FC would be resigning from the Spartan South Midland League at the end of the 2009/10 season to field only youth teams from the 2010/11 season onwards and also to see if we would be interested in moving back into the Borough to play at Goldsdown Road which we have accepted also some members of the Brimsdown Football committee will be joining the Enfield committee. In our first season back in the borough at Goldsdown Road we reached the League cup final losing to Stansted FC and also becoming the Essex Senior League champions but were

denied promotion to step four due to the Goldsdown Road ground not meeting certain criteria.

The 2011/12 season hopes where we would go one better than last season by winning the league and gaining promotion to step 4 but after a good run in the FA Vase to the fourth round the season fell away and we finished in seventh place in the league. In the 2012/13 season we finished 9th in the league & a good run in the FA Vase to the fourth round again. The 2013/14 season was a good one finishing in 3rd spot with 91pts, the winning team had 92pts & going out in the 2nd round of the FA Vase. Under a new management team in the 2014/15 season & moving to the Harlow Arena, because Brimsdown didn't meet ground grading we finished disappointing in 16th position & going out in the 1st round of the FA Vase. The 2015/16 we finished in 20th position & going out in 1st qualifying round of FA Vase. The 2016/17 finishing in 19th position & made to the 2nd qualifying round of the FA Vase. In 2017/18 season Enfield finished in 9th position & made it to the 3rd round of the FA Vase. In 2018/19 season Enfield finished in 14th position and made it to the 2nd round of the FA Vase. The 2019/2020 & 2020/2021 seasons were not completed due to the Covid pandemic. In season 2021/22 Enfield finished 5th in the league, reached the 1st Qualifying Round of the FA Cup and won the Errington Challenge Cup, beating Cockfosters 3-2 at Great Wakering FC.

Enfield won the Essex Senior League Championship in 2022/23 and gained promotion to step 4 competing in the Isthmian League Division One North (2023/24) season. In the FA Cup we reached the 2nd Qualifying Round and in the FA Vase we reached the 2nd Round. In 2023/24 season we finished in 18th position. In 2024/25 season we have been moved to the Southern League Central Division and we will play our home games at Hertford Town's ground.

ARTIFICIAL Intelligence (AI) is getting everywhere these days – even now in football it seems.

This week, The NLP ran an article on former Non-League and Football League player turned sports agent, Guy Branston, who has launched a new AI venture that he says will revolutionise the way clubs engage with their supporters.

The ex-centre-half has launched an AI bot named Mai that he says can help clubs speak to thousands more fans - and even reach a global audience.

One of Branston's former clubs, Rotherham United, as well as Premiership Rugby side Leicester Tigers have already signed up to the service - named Sports AI Consultants - and Branston says talks are underway with several other sports clubs.

Branston, 45, made over 400 career appearances for a variety of clubs through the EFL including Hull City, Sheffield Wednesday and Peterborough United.

He also turned out for a number of now Non-League clubs, such as Oldham Athletic, Aldershot Town, Rochdale and Torquay United and had a season-long spell at Kettering Town in the Conference National back in 2008-09.

After retiring in 2014, he subsequently worked as chief scout at Notts County, operations manager at Nuneaton Town and director of football at Chesterfield before becoming a licensed agent in 2023.

Explaining how AI can revolutionise sports consultancy, Branston explains: “the advent of artificial intelligence (AI) has transformed numerous sectors, and the realm of sports consulting is no exception” Branston explains on his LinkedIn page.

“AI-powered sports consultants are at the forefront of this transformation, utilizing advanced algorithms and data analytics to enhance fan engagement and optimize team performance.”

Speaking our sister paper, The Football League Paper, for whom he also doubles up as a columnist, Branston continued: “In the simplest terms, it’s an AI bot that will have a conversation directly with the fan or customer over the phone,

“So, imagine you’re a football club or a rugby club and you’re offering a half-season ticket for sale.

“Traditionally, that would be advertised via email or a social media post, but those things are very cold and impersonal. A social media post can be missed. Emails can drop into junk folders or not get opened.

“And there’s a good reason why things are done this way. At most clubs - particularly lower league clubs - there simply aren’t enough arms and legs in the building to call fans individually.

“The secretary is doing multiple jobs. The marketing people are flat out. Even if you could afford to hire a telemarketer, how many people would they reach in a day? Maybe 100. It’s not worth it.

“What Mai can do is call 2,000 people a day, and have a conversation in any language. It can take the ‘temperature’ of the conversation to work out whether someone is annoyed or unhappy or eager to hear more, and respond accordingly.

“Then, at the end of that day, the club gets a report saying how many people engaged with the call, how many people have requested a text message with a link to the landing page that sells the season ticket, and how many people bought one.

“And this is just one application. Right now, we’re looking at how clubs could use AI to address mental health issues - engaging with lonely ex-players, getting kids back into football who’ve had a hard time after being released.

“This really does have the potential to revolutionise the way clubs communicate.”

A few words about KitAid

KitAid is a charity set up by, Derrick Williams MBE, who visited Tanzania on a WaterAid supporters' trip in 1998. Derrick, being a mad footie fan, was amazed at the reception he received from children and adults in remote villages just because he was wearing one of his favourite football shirts (he follows Watford, Liverpool and Chesham Utd).

After two weeks in Tanzania, a flame was lit in Derrick's heart, and he was on a mission to provide kit and equipment to the bare-footed children playing with footballs made of tied string and plastic bags. Twenty-one years on, KitAid has lots of volunteers and to date we've sent out 900,000+ kits to children and adults in 55 different countries across the world.

How to donate

If you'd like to support the KitAid cause, the easiest way to donate your unwanted football kit, in order for us to find it a new home.

Alternatively, if you don't have any unwanted kit, but would still like to support us, we're very grateful for any donations which will help to fund our annual costs as well as support other partnership charities where possible.

We thank you for all your support.

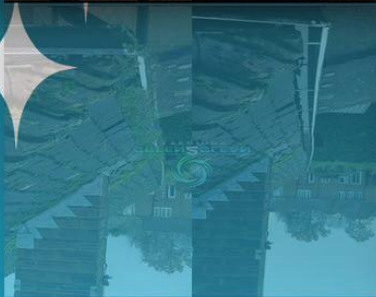

In working in some of the most under-privileged countries around the world, The Football Association is no stranger to seeing the impact the donation of something as simple as a shirt or a pair of shorts can make. KitAid has brought an enormous amount of pleasure and enjoyment to young and old alike through the gift of football kit and has shared the spirit of British clubs and the England team with communities in all corners of the globe. We are proud to be associated with KitAid and wish them all the best in their endeavours for the years to come.

However, Jon Turner's side pulled out a 3-1 win which takes them to the top of the table for the time being. Kuba Tinriover scored twice with Josh Weidner also finding the net.

Introduction to MEYBA

MEYBA was created on the beaches of Barcelona by Josep Mestre and Joaquim Ballbé. They teamed up with a dream of creating a classic swim – and sportswear line, and “ME ‘y’ BA” was born.

In 1981 MEYBA became internationally known. By signing an agreement with FC Barcelona to provide sports and leisurewear. During the 10 years that FC Barcelona wore MEYBA apparel, the team won many prizes and honours. The team, with players such as Michael Laudrup, Ronald Koeman, José Mari Bakero and the young Pep Guardiola, will forever be remembered as "the Dreamteam V1".

Today, MEYBA supplies both professional and grass roots football clubs with a full range of innovative, high quality, design led product for both on and off the pitch.
