We're targeting discrimination in football. Can you help?

We are taking a zero-tolerance approach to discrimination in football. We're calling on clubs and leagues like your own to report hate, prejudice or discrimination whenever you see it or hear it.

For those people who behave in a racist, sexist or homophobic way, the message is clear. Enough is Enough.

When we know it has happened, we can take the actions needed to remove discriminatory behaviour. We'll be doing so through a range of punishments:

- *Players will be removed from play and suspended.*
- *Teams can have points deducted.*
- *Grounds can be closed for repeat offenders.*

Together we can end hate in football.

Spread the word that discrimination of all forms will be punished. Share with your welfare officers, league and club officials, and everyone across your league and clubs.

We want everyone across grassroots football to know...

**ENOUGH IS ENOUGH.
TELL US, WE'LL TACKLE IT.**

Stotfold Club History

Stotfold is a small country town with a population in the region of 9,000. It is situated in the county of Bedfordshire but being near the North Herts border. The first recorded football in the town was 1904, however it is certain that the game was played for a number of years before that. In those early 1900s, Stotfold sides played in the Biggleswade and District League. This was followed by a spell of nearly 30 years in North Herts Football. The first record of a trophy being won was 1911 when Potton were beaten 1-0 in the Biggleswade and District Championship. Stotfold FC was officially founded after WW2 in 1946. In 1951 we joined the South Midlands League Division 2 and in 1953 were promoted to Division 1. Up until 1965 our home ground was located at Hitchin Road Recreation Ground and the club then purchased and developed a meadow named Roker and the ground was aptly named Roker Park which we occupied for 54 years. The club remained in the South Midlands League for over 30 years winning promotion to the Premier League in 1955 and winning the championship in 1980. Phil Pateman took over from Ian Allinson stepping up after managing the reserves to League champions and Beds Intermediate success. During 1998-2001 under his charge the club won The Beds Senior and Premier Cups, UCL League Cup, and the Hinchingsbrook Cup. The club also reached the last 32 of the FA Vase and the 3rd Qualifying Rd of the FA Cup. Phil stepped down to become Chairman in 2001.

The early 2000s saw challenging times for Stotfold Club after gaining just 11 points from 17 league games and some heavy defeats in season 2006/7. A partnership of Ian Allison and Ian Donnelly took over and with the club staring relegation in the face, Ian recruited several senior players and the club hauled themselves out of the bottom two, winning 8 of the last 10 games. During the summer of 2007, the squad strengthened further, culminating in the most successful season in the club's history. Both first and second team squads won their respective league and county cup competitions, (the first club and to date only one to do so), with the second team under John Philbin remaining unbeaten in the league.

The 2010s saw the club move back from the United Counties League to the Spartan South Midlands League in 2010/11. In season 2012/13 Gordon Bickerstaff stood down and Steve Young was appointed as Manager supported by Roy Ryall. After another poor start the first team secured a respectable mid-table position. Steve promoted from within the club, Michael Parkin and Matt Endersby stepping up. The first team turned their season around from being 3rd from bottom of the SSML Premier Division with just 18 points at Xmas, to three cup finals and a semi-final place in another. They also moved away from the foot of the table with a further 29 points in the second half of the season. The mid 2010s presented a challenge and following Steve's resignation in January 2015, Rob Bates stepped up and he managed to mould a team to stave off relegation from the Premier League and finish a creditable 16th.

Revised plans were drawn up when an offer to build 60 properties on Roker Park was accepted in return for a stadium being built for us. The club completely restructured with a merger of Senior & Junior clubs with an ongoing program of inclusive football for a Charter Standard Club comprising of more than 60 teams and 700 participants. So, to the 2020s success off the field being as important as on it. In this regard we were delighted that our former player Luke Gregson

agreed to be our manager after a wonderful spell at Baldock. He brought with him Jim Sterling and rebuilt the side. After a slow start the Eagles went on a fantastic run of form winning 14 consecutive league games and seemingly nailed on for promotion before Covid-19 null and voided the season. However not before we won the Beds Senior Trophy beating Stevington 2-0 in the final. Despite, the disappointment 2020 marked a landmark for the club when we moved to our New Roker Park JSJ Stadium. The £2M Step 4 facility opened its doors on Feb 8th with a home game against Shefford & Campton, and a crowd of 644 witnessed a super game with the Eagles winning 5-3.

After 20 years as club chairman Phil Pateman stepped down at the end of season 2020/21 with his vice-chairman of some 4 years Rob Parkin agreeing to take on the role of chairman. We started the new 2021/22 season full of optimism having been re-structured off the field and in the re-structured Division 1 under former players Brett and Paul Donnelly. Joining Brett's management team is UEFA B licence and FA Coach mentor Eddie McLoughlin. The management team are completed by Michael Parkin (Goalkeeping coach), Ryan Jefferies (Physio) and Roy Ryall with Jon Little, Sean Lyness and Darren Clarke looking after the Development/U18 sides. The season saw unprecedented success with the first team winning Division 1 and promotion back to the South Midlands Premier Division, the Development team winning Division 1 of the Beds County Football League and promotion to Premier Division and the U18s winning the Nemean Division of the Southern Counties Southern Floodlit League.

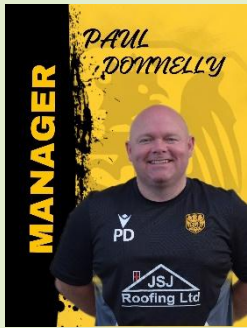

We started season 2022/23 with the same management teams for the first and development teams and the club had their first ever Women's team under the management of Tom Olney and Becca Lightfoot playing in the Beds and Herts Woman's Football League. A new management team of Stuart Lopez and Scott Cretton took over the U18 team. Unbelievably the first team secured back-to-back promotions finishing runners up in the SSMFL Premier Division and winning the play off at Dereham Town 2-0. The women's team secured promotion to the Premier Division of their league in their first season.

Season 2023/24 saw the 1st team play at step 4 in the Southern League Central Division 1 for the first time in the club's history. In a tough league we were delighted to finish a very creditable 7th. The Development team finished runners-up in the Beds County Football League, gaining promotion to Spartan South Midlands Division 1 a great achievement for a club to have teams at step 4 and step 6. The Women's team finished third in their first season in the Premier Division and the U18s finished third in the Delphian Division. Sadly, we saw Brett and Eddie move on to take over management roles at Hitchin Town towards the end of the season. We thank them for all the success they brought to the club.

Season 2024/25 starts under the new 1st team management of Paul Donnelly, Callum Donnelly and Ryan Frater with Malcolm Lay as coach and Louis O'Neill as goal keeping coach. The Development and Women's teams remain under the same management, but the club has taken the decision not to run an U18 team due to pressure on the pitch

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

By Tony Incenzo

CROWN dependencies offshore football clubs have become part and parcel of the Non-League Pyramid in recent years with Guernsey, Jersey Bulls and FC Isle of Man all valued members of our National League System.

But I wondered what the arrangements entail for opposition teams flying across to play on these islands, so I joined the official Southall party heading to Guernsey for their Isthmian South Central; fixture last Sunday to find out more.

The build-up saw Guernsey sending travel details to their opponents. In effect, the host club covers the cost of return flights for a group of up to 25 people from Southall plus coach transport to and from Guernsey Airport. This forms part of Guernsey's agreement to compete in mainland competitions.

Here is my diary of how the mammoth matchday experience unfolded...

7.00am – Meet up deadline at Gatwick Airport South Terminal. The Southall players arrive on time smartly dressed in club tracksuit tops.

7.15am – Southall's enthusiastic chairman Sanjeev Sharma does a final headcount to make sure everyone is present. He grins: "I'm feel like I am the players' dad looking after them all!"

8.00am – We are through security and on to the plane. I am sitting next to Southall manager Max Howell. He admirably video calls his young children prior to take-off.

8.35am – The Aurigny Airline flight to Guernsey departs on schedule. It's a one-hour journey spanning 160 miles. Also on board are the three match officials for this afternoon's game. Not surprisingly, they respectfully keep their distance.

8.50am – There is escalating merriment amongst the Southall squad because midfielder Chris Mulindwa has fallen asleep with his mouth wide open. So, his crafty teammates rest a coffee stirrer on his lower lip. I take a photo to capture the moment for posterity.

9.00am – Max explains his deep-thinking managerial philosophy to me. "My players are chess pieces that I move around the pitch," he says, reflecting on his nine years at Southall as a player, then coach and now manager.

9.35am – We touch down in Guernsey and the local coach appears outside the tiny airport. Our driver is a dead ringer for TV personality Bill Oddie. Much to my amazement, he negotiates the narrow island roads by frequently mounting pavements to pass oncoming cars. This time, I am sat alongside chairman Sanjeev. He describes his burning desire

to find his beloved club a permanent stadium in Southall. It will end 33 years of nomadic groundsharing following the loss of their spiritual home at Western Road. They are currently based out of the area at Burnham but will switch to Hayes & Yeading next season.

10.00am – We stop off at a very nice hotel where Southall booked pre-match breakfast. It is good to see the players choosing healthy options from the buffet spread although some of us older guys readily tuck into fried eggs and black pudding!

12noon – The coach is ready to take us to the game.

12.30pm – We pull up at Guernsey's newly unveiled £10 million Victoria Park Stadium which is staging only its second fixture. The Southall party are warmly greeted by Guernsey directors John Loveless and Nic Legg.

12.35pm – I take a peek at the facilities consisting of two excellent grandstands on either side (offering 700 seats combined) and covered terracing behind both goals. I am thoroughly impressed by the 3,000 capacity venue. It is easily up to National League South grading criteria. The Guernsey Football Association offices are here too.

1.00pm – Several of the Southall players don't have football boots compatible with requirements specified by Victoria Park's artificial pitch manufacturer. However, Guernsey are able to loan replacement boots.

1.10pm – I approach Southall director Stephen Harrison for an in-depth chat. His family possess a long association with the club and Stephen outlines how he decided to become a co-owner. In addition, I spot a couple of loyal Southall supporters visiting Guernsey for the weekend.

2.00pm – Kick-off in our Isthmian League South Central Division encounter. Guernsey have the wind behind them and dominate pulsating first half exchanges without scoring. Into the second period, Southall muster a great 20 minutes peppering the home goalmouth. All of a sudden, Guernsey break away and Sam Murray decisively shoots into the net. Two minutes later, Southall are reduced to ten men (Ryan Hope red card) thereby affecting their chances of gaining a positive result.

3.50pm – Final score...Guernsey 1 Southall 0, attendance 891. A vital three points for the 'Green Lions' in battling against relegation.

4.20pm – Guernsey serve a delicious sit-down meal of Thai green curry to the Southall party in a reserved section of the plush clubhouse. Yet the West London players are visibly disappointed by the match outcome and eat in near silence.

5pm – The coach returns to take us to the airport ahead of our 6.10pm flight.

7.10pm – After the Southall contingent waited patiently in Departures throughout an unexpected one-hour delay, we embark on our plane back to London. I'm seated again beside manager Max who is considerably deflated by this defeat. He

gives me a fascinating blow by blow analysis of the match I've just watched. I tell him that he can take plenty of positives from his team's performance.

8.15pm: We land at Gatwick Airport to conclude our lengthy day out. There are handshakes all around as the exhausted Southall party go their separate ways freshly anticipating local derbies versus Rayners Lane and Uxbridge over Easter. Needless to say, I was pretty cream crackered when I eventually arrived home, but the trip will go down as one of my most memorable ever.

A few words about KitAid

KitAid is a charity set up by, Derrick Williams MBE, who visited Tanzania on a WaterAid supporters' trip in 1998. Derrick, being a mad footie fan, was amazed at the reception he received from children and adults in remote villages just because he was wearing one of his favourite football shirts (he follows Watford, Liverpool and Chesham Utd).

After two weeks in Tanzania, a flame was lit in Derrick's heart, and he was on a mission to provide kit and equipment to the bare-footed children playing with footballs made of tied string and plastic bags. Twenty-one years on, KitAid has lots of volunteers and to date we've sent out 900,000+ kits to children and adults in 55 different countries across the world.

How to donate

If you'd like to support the KitAid cause, the easiest way to donate your unwanted football kit, in order for us to find it a new home.

Alternatively, if you don't have any unwanted kit, but would still like to support us, we're very grateful for any donations which will help to fund our annual costs as well as support other partnership charities where possible.

We thank you for all your support.

In working in some of the most under-privileged countries around the world, The Football Association is no stranger to seeing the impact the donation of something as simple as a shirt or a pair of shorts can make. KitAid has brought an enormous amount of pleasure and enjoyment to young and old alike through the gift of football kit and has shared the spirit of British clubs and the England team with communities in all corners of the globe. We are proud to be associated with KitAid and wish them all the best in their endeavours for the years to come.

Leverstock Green 2 VS North Leigh 0

Leverstock Green boosted their survival hopes with another three points, notching their first back-to-back league wins of the season against North Leigh. Leverstock had much the better of the game against their visitors, who are already doomed to finish bottom of Division One Central, but they had to be patient for their goals after a number of near-misses.

Leverstock had their first chance to open the scoring when they were awarded a penalty in the 17th minute after a cross from Radu-Mihai Stefanoaica was deflected wide by a defender's hand. Stefanoaica took the penalty himself, but it was not a good kick and keeper Drew Brei was able to get down and save it, and save the follow-up effort from Stefanoaica.

In the 28th minute Kyle Connolly stepped up to take a free kick in a dangerous position just outside the box. His effort had Brei beaten but came back off the post. Connolly was denied by a save from Brei in the 37th minute, and was unlucky again two minutes later when he hit another well-struck free kick but this time hit the bar. Finally in first half stoppage time Leverstock made the breakthrough. Marcus Warren's corner found its way to the far post where Callum Neal bundled the ball home for his second goal in two games.

Leverstock continued to be in control in the second half, and added a second goal in the 62nd minute. A corner was headed back by Neal into the path of Dan Weeks, and the skipper hit a superb volley into the net to give his side some breathing space.

There were fewer chances in the second half, but Rawn Seale was unlucky on two occasions late in the game, having a shot turned round the post by Brei in the 78th minute, and hitting the bar with an overhead kick in stoppage time.

Leverstock Green U18s 2 VS Colney Heath U18s

0

Leverstock Green's Under-18s finished their season with an excellent result as they beat SCFYL Delphian Division title hopefuls Colney Heath 2-1 at the Lords Builders Merchants Stadium. A win for Colney would have clinched the title, but goals from Josh Weidner and Shae Robinson had Leverstock 2-0 up at half time, and although Colney pulled a goal back in the second half, Leverstock held on for the win.

Hertford Town 0 VS Leverstock Green 1

Leverstock Green are still alive after a superb win at Hertford Town on Good Friday evening. After Kings Langley's draw against Berkhamsted earlier in the day, this result means that Leverstock's fate is in their own hands, with two games left to secure Southern League survival.

Dan Pett had Leverstock's first attempt on goal with a long-range effort just over the bar in the 12th minute. Two minutes later Ryan North produced a spectacular save to tip over a shot from Daniel Kemp from close range, and followed it up a minute later, turning a shot from Marcus Painter round the post.

The game-changing moment came in the 23rd minute. Radu-Mihai Stefanoaica received a pass from Rawn Seale and turned a defender to go through on goal, before being pulled down just outside the box by Ben Herd. Hertford's player-manager received a straight red card to reduce his side to ten men. Dan Pett took the resulting free kick, which was well-struck and on target, but keeper James Callan turned it round the post.

Leverstock's crucial goal came in the 28th minute. Rawn Seale received a pass from Aaron Burton and produced a cool finish to slot the ball past Callan from six yards and put his side into the lead. There were chances late in the half for Stefanoaica and Jeffrey Sekyere, but neither could keep their headers on target.

Ten minutes into the second half Leverstock faced a free kick in a dangerous position just outside the box, but were fortunate when Ryan Bernal's effort struck the post and went wide. Leverstock might have added to their lead in the 66th minute when great work from Callum Neal set up a chance for Sekyere, but he couldn't keep his first-time shot under the bar.

Other than that there was little goalmouth action in a very tense half, and Leverstock were able to hang onto their lead for a precious three points which takes their fight on to Monday's home game against Stotfold.

"It's more than just a shirt, sharing the passion for football across the World"

KitAid is a charity that finds a new home for your unwanted kit in areas of the developing world where football is loved, but participation is held back by a lack of access to kit and equipment.

Since 1998 KitAid has found a new home for more than **1,000,000** items of donated kit in Africa, South America, Asia and Eastern Europe. The late Graham Taylor was Patron of the charity until his untimely passing in January 2017.

KitAid is run entirely by volunteers and it operates on a small budget. It partners with many different charities all across the UK who meet the shipping expenses to get kit out to projects they are managing.

We can find a home for any type of kit or equipment, all that we ask is that it is clean and in a good state. We take full team kits, individual items, boots, shin pads, balls, training bibs, rain jackets and we have even sent out goal posts. It doesn't have to be from Premier League clubs and it doesn't matter if there is a shirt sponsor.

For further information please visit our website www.kitaid.net or email us at kitaidcharity@gmail.com

Alan Lee Reporting

Flackwell Heath 3 VS Leverstock Green 1

Leverstock Green made a bright start in their visit to playoff-chasing Flackwell Heath on Saturday, but an early red card made the game much tougher and eventually the home side came through to beat Leverstock's ten men.

There were a few key players missing from the Leverstock side, including Jeffrey Sekyere, who had been recalled by Wealdstone, but deadline day signings Tomasz Siemieniczuk and Aaron Burton were both in the starting lineup.

It was Burton, signed on work experience from Watford, who got Leverstock off to a great start with a goal on his debut in the 4th minute. After Dan Pett's free kick into the box was not cleared, Burton hit a shot from the edge of the box which took a deflection and looped over the keeper into the net.

However, four minutes later Leverstock's ranks were reduced. Wiktor Makowski took advantage of a short goal kick to go through on goal. Ademide Baruwa's challenge from behind brought Makowski down just outside the box, and although there were possibly two covering defenders, Baruwa was shown a red card.

Leverstock could have had a penalty shortly afterwards when Siemieniczuk appeared to be fouled in the box, but the referee gave a free kick the other way. Leverstock defended well to maintain their lead until the 30th minute, when Jack Shakespeare hit a fierce shot from outside the box which gave Ryan North no chance and levelled the scores.

Flackwell could have gone in front three minutes before the break when Edward Lee was through on goal, but his shot hit the post and the rebound went straight into North's hands.

The scores were level going into the second half, but two early goals put the home side in the driving seat. In the 50th minute a cross to the far post found Lewis Patrick all alone to shoot Flackwell into the lead, and three minutes later Patrick found the net again, cutting in from the bye-line to hit a shot from a narrow angle which looped over North.

Leverstock had another penalty appeal for a clear handball turned down later in the half, but they were unable to create any chances to get back into the game, while some last-ditch interventions at the other end prevented Flackwell from adding to their score.

Leverstock now face Northwood at home in a crucial game on Tuesday night, with the three clubs competing for the one place of safety now separated by three points after today's results.
