We're targeting discrimination in football. Can you help?

We are taking a zero-tolerance approach to discrimination in football. We're calling on clubs and leagues like your own to report hate, prejudice or discrimination whenever you see it or hear it.

**For those people who behave in a racist, sexist or homophobic way, the message is clear. Enough is Enough.**

When we know it has happened, we can take the actions needed to remove discriminatory behaviour. We'll be doing so through a range of punishments:

- *Players will be removed from play and suspended.*
- *Teams can have points deducted.*
- *Grounds can be closed for repeat offenders.*

**Together we can end hate in football.**

Spread the word that discrimination of all forms will be punished. Share with your welfare officers, league and club officials, and everyone across your league and clubs.

We want everyone across grassroots football to know...

**ENOUGH IS ENOUGH.  
TELL US, WE'LL TACKLE IT.**

# Visiting Club History:

Records show that the club came into existence in 1875 making Royston the third oldest club in Hertfordshire after Hitchin and Bishop's Stortford.

The club's first notable achievement occurred during the 1911/12 season when they won the Creake Charity Shield by defeating Wisbech 1-0 in extra time.

In more recent times, Royston achieved significant success when they were promoted to the Herts County Premier League during the 1969/70 season. Subsequently, they became champions in 1972/73 and 1976/77. The team rejoined the South Midlands League in 1978 and secured the Division One title immediately. The club's success continued with appearances in the Herts Charity Shield final in 1979 and as runners-up in the South Midlands League Premier Division in 1980. The Herts Charity Shield was won in 1981/82, and two years later, Royston joined the Isthmian League Division Two North, remaining there for a decade before returning to the South Midlands League in 1994.

After facing a challenging period that led to relegation from the South Midlands League Premier Division at the end of the 2006/07 season, Paul Attfield was appointed as the manager, with Tony Galvin returning as the 1st Team Coach in November 2007.

Under Paul's leadership, the team underwent significant changes, and a 17-game unbeaten streak propelled them from the bottom of the table to a commendable 5th-place finish in the League. This set the foundation for the successful 2008/09 season, where they secured the South Midlands Division One League title with impressive stats: W33, D4, L3, GF138, GA30, GD+108, PTS 103.

The 2011/2012 season marked a pivotal moment in the club's history when they clinched the South Midlands Premier Division title, earning promotion to Step 4 in the form of the Evo-Stik Southern League Division One Central.

In their first season back at Step 4 after 19 years, Royston exceeded expectations, consistently performing well and even contending for a playoff spot. However, a last-minute equaliser in the final game dashed their hopes. The

following season also saw them reach the playoffs, but the team faced challenges after Paul Attfield's resignation due to ill health. Steve Castle was appointed Manager in December 2013, and the team continued to strive for success, ultimately earning promotion to the Southern League Premier Division, marking the highest level of play in the club's 142-year history.

Seasons **2017/18** and **2018/19** were characterised by solid performances, finishing 7th and 9th respectively in the Premier Division Central. The **2019/20** season proved to be one of the most successful and thrilling in the club's history, with remarkable performances in both the FA Cup and FA Trophy. The team's standout performance in the FA Trophy brought immense pride, especially with victories against higher-ranked teams, although the Concord Rangers quarter-final tie ended in disappointment. Despite strong contention for the league title, the Covid-19 pandemic forced the nullification of the season, leading to bitter disappointment.

**Season 2021/22** resulted in an eighth place in the league following an inconsistent league campaign. Performances in FA competitions were disappointing, beaten at Garden Walk by Step 4 Mildenhall Town and exiting the FA Trophy early, beaten by Kingstonian in a penalty shoot-out. The highlight of the season was winning the Southern League Challenge Cup, beating the Southern League Premier (South) champions Taunton Town 7-0 on aggregate.

**In season 2022/23** injuries to key players and poor away form in the league ended with a 13th place finish in the table. In the FA Cup & Trophy Royston Town were defeated at the second hurdle, by Hemel Hempstead & Heybridge Swifts respectively.

**Season 2023/24** saw Chris Watters take over as manager, mixed form resulted in a mid-table finish, with early exits in the FA Cup & FA Trophy.

We finished **last season** in a mid-table position in the league after slipping away towards the end of the season when drawing eight of our last twelve games. We performed better in the FA competitions, falling at the third hurdle both in the FA Trophy & FA Cup, losing to higher-league opposition in both cases.

AH competitive Non-League football, how we've missed you!

It doesn't seem all that long ago Oldham Athletic were partying on the Wembley turf as the curtain came down on the 2024-25 season.

But, for the vast majority in the National League System, a three month wait for league action is finally over.

Steps 5 and 6 are already underway and lots were in FA Cup action last weekend – now Steps 1-4 are also set for the big kick-off.

Of course, this time of the year is awash with optimism for so many. Those exciting summer signings, the new kits, the fresh unblemished pitches – there's not many supporters who don't feel this could be their year.

Will York City be quick to banish the memories of last season's play-off semi-final defeat? How do the Step 1 new boys like Brackley Town and Truro City start? Is the National League South title race going to be as epic as we expect? Who will be this year's Step 4 club that race off into an early lead and canter to glory?

Where will the FA Cup shocks come?

It's all ahead of us and we can't wait to tell those stories between now and May. We'll even be talking about them on our new weekly Non-League Goal Mouth YouTube show. Check that out if you haven't already.

It's not all been sunshine and rainbows this summer. The ongoing Morecambe takeover saga has shown the other side of this so-called beautiful game with their fans facing the very real prospect of not being able to watch their team this season.

There's been plenty of debate across the board – and in our pages – on their dire situation and we all feel for their supporters.

Thankfully there are plenty of success stories of clubs who have come through the other side that loyal Shrimps can hopefully take solace from.

Many of them are kicking off this weekend with a new sense of hope. They say it's time for the talking to stop – but it's only just beginning!

Make sure you check out our famous Non-League Fantasy Football game. Pick your clubs to lead you to glory in 2025-26 with the overall winner bagging £1,000.

There are Manager of the Month prizes throughout the season too – even for finishing bottom!

Check out The NLP this Sunday for your entry form.

### **A few words about KitAid**

KitAid is a charity set up by, Derrick Williams MBE, who visited Tanzania on a WaterAid supporters' trip in 1998. Derrick, being a mad footie fan, was amazed at the reception he received from children and adults in remote villages just because he was wearing one of his favourite football shirts (he follows Watford, Liverpool and Chesham Utd).

After two weeks in Tanzania, a flame was lit in Derrick's heart, and he was on a mission to provide kit and equipment to the bare-footed children playing with footballs made of tied string and plastic bags. Twenty-one years on, KitAid has lots of volunteers and to date we've sent out 900,000+ kits to children and adults in 55 different countries across the world.

### **How to donate**

If you'd like to support the KitAid cause, the easiest way to donate your unwanted football kit, in order for us to find it a new home.

Alternatively, if you don't have any unwanted kit, but would still like to support us, we're very grateful for any donations which will help to fund our annual costs as well as support other partnership charities where possible.

### **We thank you for all your support.**

In working in some of the most under-privileged countries around the world, The Football Association is no stranger to seeing the impact the donation of something as simple as a shirt or a pair of shorts can make. KitAid has brought an enormous amount of pleasure and enjoyment to young and old alike through the gift of football kit and has shared the spirit of British clubs and the England team with communities in all corners of the globe. We are proud to be associated with KitAid and wish them all the best in their endeavours for the years to come.
