We're targeting discrimination in football. Can you help?

We are taking a zero-tolerance approach to discrimination in football. We're calling on clubs and leagues like your own to report hate, prejudice or discrimination whenever you see it or hear it.

For those people who behave in a racist, sexist or homophobic way, the message is clear. Enough is Enough.

When we know it has happened, we can take the actions needed to remove discriminatory behaviour. We'll be doing so through a range of punishments:

- *Players will be removed from play and suspended.*
- *Teams can have points deducted.*
- *Grounds can be closed for repeat offenders.*

Together we can end hate in football.

Spread the word that discrimination of all forms will be punished. Share with your welfare officers, league and club officials, and everyone across your league and clubs.

We want everyone across grassroots football to know...

**ENOUGH IS ENOUGH.
TELL US, WE'LL TACKLE IT.**

Visiting Club History:

Hadley Football Club were founded in the 1882/83 season. A notable achievement during the early years was a 1-0 defeat of Tottenham Hotspur, although Tottenham then was not of the calibre that it is now. The 1880's and 1890's were glamour times for Hadley when the club used to attract crowds of several hundred to Hadley common. With regret however, the progressive Barnet FC etc. drew players away from Hadley. This was at about the turn of the century. Club activities became low key around 1912 with Barnet FC becoming more prominent. Between these years and 1922 the club was up and down like a yo yo. Club fortunes again changed close to World War II and thereafter, with the emergence from the Hadley ranks of the famous Lester Finch who went on to play for Barnet FC and become a full amateur international. Records show an upturn in Hadley FC activities after World War II. The club became a member of the Barnet and District League and, from about 1947, played at Wrotham Park at the Barnet end of Kitts End Road. Hadley played there until about 1955 when it then moved to Barnet Playing Fields in order to "have some better facilities". The club played in the North Suburban Intermediate League at this time.

Still playing at Barnet Playing Fields, the club then joined the Mid Herts League and with Peter Gray as 1st team manager, we were Premier Division Winners in 1975/76 and 1976/77. We also won the Mid Herts Premier Division Shield in 1976/77. Having won the Mid Herts Premier Division twice, the club wanted to progress to the Herts Senior County League so therefore moved to a pitch with better facilities in St. Albans Road, Barnet (current home of The Shire London Golf Club). We had one season at this pitch before being told that it was no longer available to hire. We won the Herts Senior County League Division Three at our first attempt during this season. However, we had to find a new home and played at a sports ground in Chandos Avenue, Whetstone (a training base for the England National team at the time), until 1985. The club left the Herts Senior County League to join the Southern Olympian League and moved grounds again to play at the Woodside Park Club, Southover, Totteridge.

In 1992 the club moved to a ground in Brickfield Lane, Arkley, Barnet and re-joined the Herts Senior County League in the 1999/00 season. Under the management of Ian Gray, the 1st team won the Division One championship in 2001/02 to move up to the Premier Division in 2002/03, where we finished mid-table. Mick Hore was appointed manager in 2003/04 and we enjoyed a very successful season with the 1st team winning the Herts Senior County League Premier Division and the Herts Senior Centenary Trophy. 2004/05 was also very

successful with the 1st team retaining the Premier Division title. Success continued into 2005/06 with the 1st team winning the prestigious Aubrey Cup.

In 2006-07 the 1st team finished Runners Up in the Herts Senior County League Premier Division. An application to join the Spartan South Midlands league was blocked by the Herts County League, so the following season (2007-08) the club played all of its football in the West Herts Saturday League. During this season, all Hadley teams (3 teams) won their respective leagues for the first time in the clubs history. This included the 1st team winning the Premier Division of the West Herts League with Guy Slee in charge, having taken over from Mick Hore at the start of the season. We again applied to join the Spartan South Midlands League and our place in Division Two was accepted for the start of the 2008-09 season.

The move to the Spartan South Midlands League saw the 1st team begin groundsharing at Potters Bar Town FC, and the reserves and 3rd team continued to use the ground in Brickfield Lane. Ian Gray replaced Guy Slee as manager at the start of the season, with Guy having stepped up into the role of Chairman, joined on the committee with the arrival of Bob Henderson as Secretary. Our first season in the Spartan South Midlands League turned out to be a very successful one with the 1st team gaining promotion to Division One at the first attempt after finishing one point behind The 61 FC (Luton). We also won the Division Two Cup after beating Totternhoe in the final.

Our second season in the Spartan South Midlands League (2009-10) surpassed everyone's expectations when we achieved another promotion after finishing in second place behind Holmer Green. We also won two matches in our first attempt at the FA Vase, beating Harpenden Town and then Leverstock Green, eventually being knocked out in a tight 1-0 defeat at Stanway Rovers. The 2010-11 season saw us again playing at the highest level in the club's long history (Step 5 of the National League System), and we also enjoyed our first ever outing in the FA Cup, drawing 0-0 with Barking before losing 1-0 in the replay. Another highlight of the season was playing against Barnet in the 2nd round of the Herts Senior Cup, drawing 1-1 after 90 minutes before losing 4-1 in Extra Time.

In January 2012, long-serving manager Ian Gray stepped down from the role of 1st team manager after 3½ successful years in charge, having guided the team from Division Two to the Premier Division of the Spartan South Midlands League with back-to-back promotions. A new management team was appointed who were previously with St Albans City reserves. An influx of new players and the guidance of player-manager Alexis Nicholas saw us achieve our pre-season aim of staying in the Premier Division, as we ended in 15th position out of 22 teams. The start of the 2012-13 season saw Franco Sidoli join as 1st team manager having

also left St Albans City during the summer. Franco was supported by a coaching team of Alexis Nicholas, Lewis Dommatt and Hector Varela as we enjoyed a successful season with a comfortable mid-table finish and our first ever win in the FA Cup following a 2-0 victory over Hertford Town. We also reached the final of the Premier Division Cup when we were unlucky to lose 3-2 against Aylesbury United (After Extra Time), having taken the lead twice in the match.

At the end of the 2012-13 season, Franco Sidoli stepped down as 1st team manager due to a change in work circumstances for 3 out of 4 people in the management team, including himself, which would not have allowed them to give 100% commitment to the job during the forthcoming season. The club appointed Geoff O'Vell as the new 1st team manager, who had previously been 1st team manager at Colney Heath, Hoddesdon Town and Broxbourne Borough. Geoff was joined by Assistant Manager Paul Surrige and coach Mark Mezen. A highlight during this season was drawing Watford FC in the 1st Round of the Herts Senior Cup. We lost 2-0 with goals from Luke O'Nien and Bernard Mensah securing the win for Gianfranco Zola's Championship side. We had mixed fortunes during the 2013-14 league campaign and although an improved end to the season saw us make a late climb up the league table to finish just below mid table, the club decided that a restructuring of the team management was required at the end of the season. This saw Geoff O'Vell and his management team leave the club.

At the start of the next season (2014-15) Micky Hazard was appointed as the new 1st team manager. As a player, Micky was a member of the Tottenham team that won the 1982 FA Cup and UEFA Cup in 1984. He also went on to play for Chelsea, Portsmouth, Swindon Town and then Tottenham for a second spell. Since the end of his playing career, Hazard was Youth Academy Coach at Crystal Palace and was also involved on the management team of Sevenoaks Town and Hoddesdon Town. Micky was joined by the return of Franco Sidoli, Lewis Dommatt and Hector Varela who were all well-known to the club as, along with Alexis Nicolas, they formed our 1st team management team during a successful 2012-13 season. The first season in charge for our new management team was very successful as we ended in 9th position in the Spartan South Midlands League Premier Division - our highest ever finish. We surpassed this in the following season (2015-16) as we ended in 6th position in the league and we also won the Herts Charity Shield for the first time following a 3-1 victory over Tring Athletic in the final at the County Headquarters, Letchworth.

The 2016-17 season saw the return of our 1st team to Brickfield Lane in Barnet following over £500,000 worth of facilities improvements and eight years of groundsharing with Potters Bar Town. Ground improvements included the installation of floodlights, a spectator stand, new fencing and pathways, pitch drainage installation, a new car park and the refurbishment of the pavilion clubhouse and changing rooms. This was made possible thanks to grants and

donations from the Football Stadia Improvement Fund, Sport England, the Peter Harrison Foundation, the Happy Charitable Trust, Village Healthcare and the Back2Barnet campaign. A highlight of our first season back in Barnet was an outstanding FA Cup run, eventually being knocked out in a Third qualifying round replay against Eastbourne Borough who went on to beat Aldershot Town in the next round.

The 2017-18 season saw a change of first team management with Anthony Clark being appointed in October 2017. As a player, Anthony appeared for Southend United before playing at a high standard of non-league football with teams including Hendon and Wealdstone. A very strong end to the season saw us finish in sixth place, our joint highest ever finish. The 2018-19 league campaign was our most successful in the Spartan South Midlands League Premier Division, finishing in 3rd place, missing out on the Runners Up spot by goal difference.

In the summer of 2019, following correspondence with the Football Association, a lateral movement saw Hadley FC moved to the Essex Senior League for the 2019-20 season after 10 seasons in the Spartan South Midlands League. This move was part of the Football Association's ongoing restructuring of the National League System and their move towards a "pure pyramid". A highlight of the 2019-20 season was reaching the Third qualifying round of the FA Cup, equalling our best ever run from the 2016-17 season. We eventually lost at Havant & Waterlooville, but getting that far in such a prestigious competition was an excellent achievement by Anthony Clark's team. Unfortunately, due to the COVID-19 pandemic, the season then ended early and was declared null and void. Similarly, the 2020-21 Essex Senior League season was also curtailed due to the COVID-19 pandemic but we had a fantastic run in the FA Vase, reaching the Fifth Round for the first time in the club's history. We were unfortunate to lose on penalties to Binfield who went on to reach the final at Wembley.

In the summer of 2021, the Football Association again carried out some restructuring of the National League System and we were moved from the Essex Senior League back into the Spartan South Midlands League. It was a shame that we could not complete a full season in the Essex Senior League, and we enjoyed our time in that league.

The 2021-22 season turned out to be the most successful in the club's history. An excellent FA Cup run saw us narrowly lose 2-1 at home against Enfield Town in a replay having drawn 1-1 away against the Isthmian League Premier Division side. We then went on to reach the final of the prestigious Herts Senior Cup having beaten higher opposition Royston Town and Ware in the semi final and quarter final. We faced Cheshunt in the final (who went on to gain promotion from the Isthmian League Premier Division into the Vanarama National League South at the end of the season) and two late goals gave our opponents the win. We finished

our league campaign in third position and due to Risborough Rangers (who finished second) not meeting the relevant FA ground grading criteria, we were promoted to Step 4 of the National League System for the first time, an outstanding achievement from Anthony Clark, his management team and players. The 2021-22 season was topped off by us winning the Gladwish Challenge Trophy following a 3-1 win against Stotfold in the final.

Our first season in the Southern Football League Division One Central saw us finish in 9th position - another excellent achievement. We went one step better in our second season at Step 4 with an 8th placed finish, again in the Southern League Division One Central. We also recorded our first ever win in the FA Trophy with a 4-1 victory against Ware FC at Brickfield Lane.

The 2024-25 campaign, saw us finish a record high 5th position in Southern Football League Division One Central and reach the play-offs, losing to eventual play-off winners Berkhamsted in the semi-final. A historic run to the 3rd Round proper of the FA Trophy was made, with fantastic victories over Step 3 opponents Carshalton, Hastings United and AFC Telford during the competition and eventually being narrowly being defeated by Step 2 Oxford City. An historic season was completed, by winning the Herts Charity Cup 4-2 against Welwyn Garden City. We look forward to season 2025-26 with great optimism.

Biggleswade Town 5 vs 3 Leverstock Green

Match Report

Leverstock Green were 2-0 up inside seven minutes in Saturday's game at Biggleswade Town, but they ultimately paid for their defensive frailty and, like last week at Lowestoft, a disappointing second half display saw them end up on the losing side.

The game was barely over a minute old when Leverstock went in front. A cross from Callum Neal was blocked, but Ethan Mooney chased the ball and, just before it crossed the bye-line, clipped over a cross which found Jeffrey Sekyere coming in at the far post to apply the finishing touch.

It got even better for Leverstock in the 7th minute when a well-worked move culminated with Iker Noguera Leon finding Juan Pablo Velasco on the edge of the penalty area to hit a low shot which went in off the post for a 2-0 lead.

However, the home side hit back and were soon back in the game. In the 12th minute they pulled a goal back when Ebenezer Kufour showed persistence inside the box to shake off a couple of challenges before slotting the ball past Harry Way. And in the 17th minute Leverstock were unable to clear a corner, and Lynton Goss forced the ball home from close range in the ensuing scramble.

Having levelled the scores they could have gone in front in the 22nd minute, but shot over the bar from a good chance inside the box. Instead, the game see-sawed back in the direction of Leverstock. They should have been back in front in the 30th minute when a pass from Dan Pett allowed Leon to easily beat the home side's high line

and go clean through on goal, but his eventual shot was slotted inches wide of the post. Leon didn't have long to mull over his missed chance. Within two minutes Joe McCarthy was brought down on a run into the box, and the referee awarded Leverstock a penalty. Leon stepped up to take the spot kick, and despite the best efforts of the Biggleswade players to unsettle him, buried the penalty to put Leverstock back in front at 3-2.

Leverstock held their lead until half time, and might have extended it in the 50th minute when Sekyere had a run at goal, but his eventual shot was saved. They were forced into a change in the 54th minute after Velasco picked up a needless yellow card for kicking the ball away and was in danger of being provoked into a second yellow by the home side. Marcus Warren, who rejoined the club this week, came on to replace him.

Biggleswade were having most of the ball in the second half, and their pressure told in the 63rd minute when Liam Andrews met a corner unchallenged to level the scores at 3-3. Two minutes later they were in front when a ball across goal found Goss in space to shoot home his second of the game from close range.

Having taken the lead, the home side then did their utmost to slow the game down with constant time-wasting tactics. Warren came closest to getting Leverstock back in the game with a shot in the 68th minute that went just wide. Other than that, the Green side were unable to create much, and when Alfie Powell headed home unchallenged from a corner in the 80th minute to make it 5-3, the game was over. To add to Leverstock's problems, Warren was shown a straight red card in stoppage time for words to the referee.

St Margaretsbury 0 vs 3 Leverstock Green Reserves

Leverstock Green Reserves ended a run of five games without a win with a 3-0 victory away to St Margaretsbury in Tuesday night's HSCCL Premier Division game. With the Under-18s having an FA Youth Cup tie in two days, a number of first team squad players were brought in to get some minutes, and there were two new signings.

Justin Dass put Leverstock into the lead in the 6th minute with a shot from the edge of the box, and Oliver Glimas made it 2-0 in the 27th minute with a long-range shot. Dass came close to adding his second in first half stoppage time, hitting the post with a shot after the keeper had saved his first effort.

The third goal came in the 83rd minute as Glimas crossed for skipper Brandon Bromyard to head home at the far post. Substitute Oscar Roe was unlucky in the 88th minute with a shot that hit the inside of the post and came out.

Flackwell Heath 1 vs 1 Leverstock Green

Leverstock Green came away with a point from a hard-fought Southern League Division One Central match at Flackwell Heath on Saturday. As has been the case in all of Leverstock's league games since the opening 0-0 draw, they scored the game's first goal, but having been pegged back in the second half they held on to claim a deserved point.

Fergus Moore added more experience to his back line with the signing of the much-travelled Tommy Boxer during the week, and the big central defender gave an assured performance on his debut.

The home side came close to opening the scoring in the 11th minute on a counter-attack. Eli Grant was found in space on the far side of the penalty area, and pulled it back for Jamie Ayres, whose shot was goalbound until Nat Connolly got his boot to it to deflect it wide.

Leverstock had a chance in the 20th minute when Iker Noguera Leon found himself through on keeper Jack Brooker, but didn't make proper contact with his shot and Brooker gathered.

Two minutes later it was Joe McCarthy who was through on Brooker, and again the keeper blocked the shot, but the rebound came out to Leon, who drilled a shot from the edge of the box that went in off the post for his sixth goal of the season, putting Leverstock into a 1-0 lead.

Flackwell went close in the 25th minute when a long-range shot from Matty Ayres flew just over the bar, and again on 38 minutes when a shot from Lewis Patrick looped up from a deflection and landed on top of the bar. However, Leverstock took their narrow lead into the break.

Four minutes into the second half a cross from Juan Pablo Velasco found McCarthy coming in, but his header went over the bar, and Velasco went close himself with a chip just over the bar in the 53rd minute.

Flackwell made a double substitution in the 57th minute, and had another good chance three minutes later. A slick passing move put Matty Ayres through on goal, but Harry Way produced a great save to keep his shot out. However, in the 65th minute the scores were levelled. A free kick found its way to the far post where substitute Harlem Hale was in space to shoot past Way from close range.

Neither side had much of a clear cut chance for the remainder of the game, much of which was played in heavy rain, and Flackwell were reduced to ten men in the 83rd minute when Ayoub Igozouln was shown a straight red card for retaliation against Velasco.

THE **NON-LEAGUE** PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit www.thenonleaguefootballpaper.com/subscriptions

THERE can't be many clubs with a better record of producing players fit for the EFL – and higher – than FC Halifax Town.

The number that have passed through the Shay down the years is quite something.

Our Chris Dunlavy, chief writer on sister title The Football League Paper, caught up with a former Shaymen last week after he called time on his career.

One of the privileges of this job is watching young footballers thrive in Non-League before getting their chance and then carving out a successful career in the higher levels.

Lee Gregory certainly did that, scoring 112 EFL goals for the likes of Millwall, Stoke, Sheffield Wednesday and Mansfield Town.

The striker began his journey at Staveley Miners Welfare and Sheffield FC and Glapwell before ripping it up at FC Halifax Town – alongside a certain Jamie Vardy.

But Gregory still remembers the conversation he had with Nicky Law during a brief spell on trial at Alfreton two decades ago.

“I was 17 or 18 and Nicky was the manager at Alfreton,” he recalls. “He said to me one day, ‘You don't have to be a professional. You can have a

good career in Non-League. Get a job, do this on the side, put the extra money towards a house and you'll pay it off in 15 or 20 years'.

"I remember thinking 'You know, he's right'. That was my mentality when I was playing for Staveley Miners Welfare and Sheffield FC and Glapwell.

"By the time I got to 23, when I joined Halifax, I was like 'OK, this is my life - let's buy that house and stop dreaming'."

Thankfully for Gregory, now 37, an intervention from Kim Holloway - wife of Ian - changed the course of his life.

Gregory scored 29 National League goals for Halifax in the 2013-14 campaign. Holloway, then in charge of Millwall, was considering making an offer but feared the forward would struggle with the jump to the Championship.

"You could be the best player in the world but if you've not got the right opinion behind you, you're not going to go anywhere," says Gregory.

"It only takes one person to believe in you and in my case it was Ian's wife. She was the one who said 'Go on, why don't you take a chance on the lad from Non-League?' That one opinion changed my life.

"I did have other clubs in the pipeline. I was always going to end up in the EFL that summer. But none of them were in the Championship. I know you make your own luck, but you need help along the way. I was very lucky that she said that to him, and that he listened to her."

Gregory is just another example of how different players will take different routes into the Football League. We're lucky we get to see a lot of them at before they really make it.

A few words about KitAid

KitAid is a charity set up by, Derrick Williams MBE, who visited Tanzania on a WaterAid supporters' trip in 1998. Derrick, being a mad footie fan, was amazed at the reception he received from children and adults in remote villages just because he was wearing one of his favourite football shirts (he follows Watford, Liverpool and Chesham Utd).

After two weeks in Tanzania, a flame was lit in Derrick's heart, and he was on a mission to provide kit and equipment to the bare-footed children playing with footballs made of tied string and plastic bags. Twenty-one years on, KitAid has lots of volunteers and to date we've sent out 900,000+ kits to children and adults in 55 different countries across the world.

How to donate

If you'd like to support the KitAid cause, the easiest way to donate your unwanted football kit, in order for us to find it a new home.

Alternatively, if you don't have any unwanted kit, but would still like to support us, we're very grateful for any donations which will help to fund our annual costs as well as support other partnership charities where possible.

We thank you for all your support.

In working in some of the most under-privileged countries around the world, The Football Association is no stranger to seeing the impact the donation of something as simple as a shirt or a pair of shorts can make. KitAid has brought an enormous amount of pleasure and enjoyment to young and old alike through the gift of football kit and has shared the spirit of British clubs and the England team with communities in all corners of the globe. We are proud to be associated with KitAid and wish them all the best in their endeavours for the years to come.
