We're targeting discrimination in football. Can you help?

We are taking a zero-tolerance approach to discrimination in football. We're calling on clubs and leagues like your own to report hate, prejudice or discrimination whenever you see it or hear it.

For those people who behave in a racist, sexist or homophobic way, the message is clear. Enough is Enough.

When we know it has happened, we can take the actions needed to remove discriminatory behaviour. We'll be doing so through a range of punishments:

- *Players will be removed from play and suspended.*
- *Teams can have points deducted.*
- *Grounds can be closed for repeat offenders.*

Together we can end hate in football.

Spread the word that discrimination of all forms will be punished. Share with your welfare officers, league and club officials, and everyone across your league and clubs.

We want everyone across grassroots football to know...

**ENOUGH IS ENOUGH.

Scott and Ferg's 250th Game

Scott and Ferg's 250th game in charge was last week. So we would like to thank them for what they have done for the club, and for their continuing efforts to bring the club as far as they can.

Dan caught up with Scott after the game and asked him some questions about the time they have been with the club.

Q - Your first competitive game in charge was a 1-0 FA Cup defeat away at Stanway Rovers back in August 2021. If you could go back to that dressing room before kick-off, what would you tell yourselves knowing what the next 249 games would bring?

A - I would say to trust in the process that we believed we could create from the first training session. Accept the lows and don't get too exuberant with the highs.

Q- When you took the job, did either of you genuinely believe you'd still be here 250 competitive games later?

A - I definitely didn't expect to be anywhere near 250 games. When we first joined we invited all season before squad to pre-season. And from senior players only Dan Weeks actually stayed to give us a chance.

Q - Looking back at the club you inherited compared with the Leverstock Green FC of today, what do you think has changed the most?

A - Well the first thing we insisted on was that the bar stays open past 5.30 on a Saturday. We made a conscious effort to make sure

that any player we signed would buy into creating a club environment that everyone can enjoy. That's committee members, supporters and players.

Q- You've had some incredible days at the club. If you had to pick one single moment from the first 249 games that stands above everything else, what would it be, and why?

A - That's an easy one. The play off Final. To have 1000 supporters in Pancake lane. The work everyone had to do in a few days to play the final was amazing and probably something the club will never do again. Then for the players to play the way they did in the final was just incredible.

Q - And on the flip side, what has been the toughest moment you've experienced as managers?

A - Probably last pre season. After staying at step 4 on last game of the season we hoped that players would want to return and push on the following season. This was not how it happened. We only had a few players willing to stay. Recruiting was hard due to financial constraints. Every player we approached thinks we are step 4 and loads of money like everyone else in the division. What now realised was we got promoted on no budget and stayed up on £15 a week per player. Credit must go to the group of players that stayed because result was hard to come by but they stuck at it and trusted us as staff to get players in and turn it around.

Q - Last season saw the club achieve its highest-ever league finish. What did that achievement mean to you personally?

A - Finishing in the clubs highest ever position of 12th at step 4 was just unbelievable. As I said last pre season was tough and then to think we entered the bottom 4 of the league around about Xmas. To

then finish 12th. All credit players who stayed and the new recruits we managed to get in. Ferg's little black book and Aaron's constant messaging of players really did the trick.

Q - You've been side-by-side for 250 games. What do you think is the biggest strength of your partnership and what does the other one do that drives you absolutely mad?

A- I would say our biggest strength is that we both hate losing and are passionate about football. We don't always see eye to eye. Neither of us are yes men. We would say our point on selection of team and tactics and then between us go with what we think is best for the team for that game. As for drive me mad it has to be Ferg on the sidelines. Doesn't matter if he is praising a player or having a go at them. It's always in a tone that feels it's more having a go. There is no difference. I'm sure the players always think he is having a go. Oh also when Ferg decides to show everyone his lucky Paddy power pants. That's a sight no one needs to see.

Q - When your time at Leverstock Green eventually comes to an end, what do you hope people will say about Scott and Fergie's time in charge?

A - As for after we go you hope that supporters and club staff will see that we created that environment we promised in the interview. A club everyone can be proud of. That we also achieved promotion and cup wins during our time with memories for everyone associated with the club. The truth is what people say will not bother me at all. As it will probably mean we have been sacked so people will think that we deserved to go as results not good enough.

Visiting Club History:

Founded in 1907, Didcot Town began life in the North Berks League, competing there until 1928 before spells in the Reading League and Metropolitan League. The club became founder members of the Hellenic League in 1953, winning the title at the first attempt.

After returning to the Metropolitan League for 1957–58, Didcot rejoined the Hellenic Premier Division in 1963, remaining there for thirteen seasons. Relegation in 1975–76 coincided with the club's FA Cup debut, but they bounced straight back as Division One champions the following year. The Railwaymen moved between divisions over the next two decades before establishing themselves in the Premier Division from 1995–96 onwards.

The mid-2000s marked a golden era. Under Stuart Peace, Didcot lifted the FA Vase in 2005, defeating AFC Sudbury at White Hart Lane. A year later they claimed the Hellenic League title with a record 100 points, earning promotion to the Southern League. In 2009, the club reached the Southern League Premier Division, beating AFC Totton in a dramatic play-off final after winning three consecutive away ties against the division's top sides.

Didcot reached the FA Cup First Round Proper in 2015–16, hosting Exeter City live on BT Sport — a landmark moment for the club and town.

Promotion returned in 2022–23, when nearly 2,000 supporters packed Loop Meadow to see the Railwaymen Defeat Ware in the play-off final and reclaim their place in the Southern League Premier Division. The following campaign proved challenging, and Didcot were relegated into Division One South for 2024–25, finishing mid-table after a season of heavy travel.

Ahead of 2026–27, the club was laterally moved back into Southern League Division One Central, restoring more familiar journeys and reigniting several traditional rivalries.

Thame United

2 vs 3

Leverstock Green

Having been beaten 4-0 on their previous two visits, Leverstock Green could have approached Saturday's game at the ASM Stadium with some trepidation, but instead they turned in a superb performance to earn their first away league win of the season despite Thame United twice coming back to level the score.

Leverstock got off to a great start with a goal in the 4th minute. Callum Neal made a run into the box and couldn't get a shot off himself, but instead laid off to Iker Noguera Leon, who slotted a low shot through a crowd of players out of the reach of keeper James Callan for a 1-0 lead.

It could have been 2-0 in the 16th minute as firstly Leon had a shot turned away by Callan, and a few seconds later Ademide Baruwa hit a shot which beat Callan but hit the far post.

Having had much the better of the game for 40 minutes, Leverstock came under some pressure from Thame in the last five minutes of the half. Harry Alexander hit a shot just over the bar in the 42nd minute, a goal from a header was disallowed for a push in the 44th minute, and finally Jack

Tutton hit a low shot from outside the box in stoppage time which went through everyone for the equaliser.

Thame continued to threaten in the opening minutes of the second half. Ryan North produced a close-range save to deny Alexander in the 48th minute, saved again in the 55th minute when Roger James was clean through on goal, and kept out a shot from Greg Hackett. A minute later it was Leverstock who were threatening as Leon dribbled through the whole of the defence to be clean through, but didn't get his shot away and eventually ran into Callan. In the 62nd minute Nat Connolly set up a great shooting opportunity for Joe McCarthy, but his shot was saved by Callan.

However, the running of Leon and McCarthy was causing all sorts of problems for the Thame defence, and seconds later Leon was through again. Callan saved his shot, but McCarthy followed up to net the rebound and put Leverstock back into the lead at 2-1.

Their lead was very short-lived though. Within 30 seconds of the restart Thame were on the attack, and when Joshua Stranks got in behind Neal, and Neal's challenge brought him down, it was inevitable that the referee would point to the penalty spot. Alexander gave North no chance from the spot kick and the scores were back level at 2-2.

But Leverstock weren't finished yet. In the 71st minute it was their skipper Dan Pett, playing his 199th game for the club, who made a run into the box. Pett rode a challenge

that undoubtedly would have resulted in a penalty had he gone down, but he stayed on his feet and ran on to beat Callan at his near post and put Leverstock in front for the third time.

They had chances to make the game safe over the closing minutes, with Callan producing good saves to turn away shots from Ryan Carruthers and Marcus Warren, and Jack Allen shooting over the bar from a good chance. There were a couple of nervous moments in their box during stoppage time, but Leverstock held on for an impressive and fully-deserved win.

Leverstock Green 1 vs 1 Tring Athletic

Leverstock Green progressed to the second round of the Herts Senior Cup after a penalty shoot-out victory over local rivals Tring Athletic in Tuesday night's first round tie. Leverstock created enough chances to win the game in normal time, but a late Tring equaliser sent the tie into penalties.

Leverstock made a bright start with Timi Bada looking particularly lively, in the third minute he put a ball across goal that Jack Allen just failed to connect with. In the 6th minute Ryan Carruthers had an effort from distance which went just wide, and four minutes later Nat Connolly shot over the bar after Callum Neal's shot had been parried. In the 20th minute Neal headed straight at the keeper from a Bada cross.

Tring started to come more into the game, and Ryan North had to tip a shot from Blake Argent over the bar in the 23rd minute. Allen was unlucky in the 35th minute when his shot was turned onto the post by the keeper, and Bada went on a solo run in the 39th minute but couldn't put the ball past the keeper. Eventually in the last minute of the half a long throw from George Mitchell-Gears caused a scramble in the Tring box and Allen volleyed home from close range to put Leverstock in front.

Tring could have levelled in the 50th minute when Harry Shepherd broke away on a solo run but his shot went across goal and wide, and Neal was just wide for Leverstock with an effort in the 62nd minute. Tring made a quadruple substitution midway through the half, bringing on some of their bigger guns who had been rested from the start, and eventually Leverstock were made

to pay for having not taken their earlier chances. In the 83rd minute a free kick from the right touchline caused a scramble in the Leverstock box and Caden Barber put the ball away for the equaliser.

Either side might have won the tie in the remaining minutes, with Joe McCarthy having a shot well saved by the keeper, but the score remained unchanged and the game went to penalties. Allen scored Leverstock's first kick, and North turned George Devine's kick over the bar to give the Green side the early advantage. Ademide Baruwa, Iker Noguera Leon and George Mitchell-Gears were all successful for Leverstock before Barber blazed Tring's fourth kick over the bar to put Leverstock through 4-2 on penalties.

Chelmsford City U18

1 vs 1

Leverstock Green U18

The Under-18s run in the FA Youth Cup was finally ended on Friday evening at Chelmsford City, but they did the club proud and took the game to a penalty shoot-out with a late equaliser.

Lucas Hammer had a run at the Chelmsford goal in the 5th minute but hit his shot just wide. It was a blow for the side when Hammer had to leave the game with a foot injury in the 22nd minute. Keeper Ben Jackson made a couple of good saves in the first half, and in the last minute of the half Ashton Corder ran through on goal but hit his shot straight at the keeper.

The deadlock was only broken in the 65th minute by a goal which had an element of fluke about it, as a mishit cross from near the left touchline ended up looping over Jackson's outstretched arm into the net. As the game went into stoppage time it looked like that goal was going to be decisive, however in the second minute of stoppage time Corder delivered a cross from the right and Finley Clark got up at the far post to head home a sensational equaliser.

That took the game into penalties, but Seb Kirkup's opening kick was saved. Sam Brewster scored with his penalty, but further saves from Corder and Oscar Roe's efforts meant that Chelmsford won the shoot-out 3-1 and get the reward of a plum home tie against Leyton Orient in the First Round Proper.

Leverstock Green

2 vs 1

Biggleswade F.C.

Leverstock Green registered their second straight league win with a very impressive performance against third-placed Biggleswade F.C., coming from behind to win the game.

It was a game which saw the 200th appearance for the club of skipper Dan Pett, and also the last appearance of Carmicheal Uchenna, who gave a man-of-the-match display in midfield ahead of signing a pro contact with Wealdstone this week.

After a quiet opening to the game, it was the visitors who had the game's first chance as defensive hesitation allowed Matteo Perkins to run clean through on goal, but he was denied by a good save from Ryan North. However, three minutes later Perkins was threatening again, this time squaring for Bradley Bell to shoot home and put Biggleswade into a 1-0 lead.

Leverstock responded well to going behind and were soon back on level terms. Hesitation by keeper George Rose allowed Joe McCarthy to nip in and take the ball, and as McCarthy tried to get the ball from under his feet to put it into the empty net, he was brought down from behind. The referee immediately pointed to the penalty spot, and Iker

Noguera Leon fired the spot kick into the top corner to make it 1-1 in the 27th minute.

Rose was somewhat lucky to stay on the field in the 38th minute as he came out of his area to challenge McCarthy, committing a foul that left both players requiring treatment. Despite McCarthy being clean through, the referee only showed a yellow card to the Biggleswade keeper. Leon took the resulting free kick and his effort went just over the bar. In the final minute of the half Leon delivered a cross to the far post which was headed wide by Uchenna.

The second half saw Leverstock well on top with Leon and McCarthy again causing lots of problems for the Biggleswade defence. The visitors rarely threatened, although North produced a great save to tip a header over the bar in the 66th minute.

In the 72nd minute McCarthy was again through on goal and again brought down just outside the box, this time by Lawrie Marsh, but again the referee only showed a yellow card, one of six picked up by the visitors. Again the resulting free kick was off target, this time from Uchenna.

However, four minutes later a through ball from Marcus Warren gave McCarthy another run at goal, and this time he stayed on his feet and hit an exquisite finish which flew over Rose into the top corner to put Leverstock into a deserved 2-1 lead.

The team kept its discipline and shape to see the game out, successfully defending a corner in stoppage time to add another three points to their total.

By Matthew Badock,
Editor, The Non-League Paper

ONE GAME – possibly two if it goes to a replay – away from the dream draw.

This week, 64 Non-League teams will fight it out for a place in the FA Cup first round.

Leicester City at home? Sheffield Wednesday away? It won't happen if you're not in Monday's draw.

In many ways, the fourth round qualifying has the feel of the first round proper these days, with so many ex-Football League club names scattered throughout Non-League's top two tiers.

And it promises to be an action-packed Saturday.

Step 4 AFC Rushden & Diamonds are, of course, the next guise of the former Football League club and they take on Morecambe this weekend after knocking out National League South Braintree.

“The club are absolutely buzzing,” boss Elliot Sandy said.

“It’s a fan-owned club so there are so many volunteers working tirelessly to make the club run like it runs.

“I get the easy bit. We work hard but we’ve just got to concentrate on the football. Without all the people behind us, it would be impossible to do what we’re doing on the pitch.

“I thank all the volunteers regularly because without them we couldn’t do what we’re doing at the minute.”

Stafford Rangers are also a Step 4 side dreaming big – they’ve already seen off Hereford and Halesowen to set-up a trip to struggling Gateshead.

Boss Graham Deakin said: “I am so confident in our group. Regardless of the troubles (Gateshead) have off the pitch it will be very difficult but we go there full of confidence – we have to with the start we have had.

“We can only control what we can control. If we are on it then we will give anyone a game, I really believe that. Hopefully we can cause another shock.”

For some it’s about avoiding a shock. Chorley boss Andy Preece will take on his boyhood club Worcester City, the place his career began and a club he managed in the FA Cup second round against Huddersfield.

“Without Worcester City I wouldn’t have had the career I have,” Preece said.

“I was 17 when I made my debut against Scarborough at home from the bench. I could not breathe! The game was so fast. I probably touched the ball four times.”

Leatherhead host Yeovil Town in another eye-catching tie, FC United are making the short trip to Altrincham.

Then there are the two remaining Step 5 sides. SE Dons, who beat Weymouth to reach this stage, are off to Sholing and Tadley Calleva make the short trip to Aldershot Town.

“Tadley is a small village,” manager Joe Lawler said. “We continue to be underdogs. But it's all about the magic of the FA Cup and trying to dream big. We've done that this year and we've had a superb run. We'll go to Aldershot full of confidence, and we'll give it our best shot.

“We’ve beaten the odds in the last two years, and being in the first round draw would just be another magical thing for the club.”

A few words about KitAid

KitAid is a charity set up by, Derrick Williams MBE, who visited Tanzania on a WaterAid supporters' trip in 1998. Derrick, being a mad footie fan, was amazed at the reception he received from children and adults in remote villages just because he was wearing one of his favourite football shirts (he follows Watford, Liverpool and Chesham Utd).

After two weeks in Tanzania, a flame was lit in Derrick's heart, and he was on a mission to provide kit and equipment to the bare-footed children playing with footballs made of tied string and plastic bags. Twenty-one years on, KitAid has lots of volunteers and to date we've sent out 900,000+ kits to children and adults in 55 different countries across the world.

How to donate

If you'd like to support the KitAid cause, the easiest way to donate your unwanted football kit, in order for us to find it a new home.

Alternatively, if you don't have any unwanted kit, but would still like to support us, we're very grateful for any donations which will help to fund our annual costs as well as support other partnership charities where possible.

We thank you for all your support.

In working in some of the most under-privileged countries around the world, The Football Association is no stranger to seeing the impact the donation of something as simple as a shirt or a pair of shorts can make. KitAid has brought an enormous amount of pleasure and enjoyment to young and old alike through the gift of football kit and has shared the spirit of British clubs and the England team with communities in all corners of the globe. We are proud to be associated with KitAid and wish them all the best in their endeavours for the years to come.
