We're targeting discrimination in football. Can you help?

We are taking a zero-tolerance approach to discrimination in football. We're calling on clubs and leagues like your own to report hate, prejudice or discrimination whenever you see it or hear it.

For those people who behave in a racist, sexist or homophobic way, the message is clear. Enough is Enough.

When we know it has happened, we can take the actions needed to remove discriminatory behaviour. We'll be doing so through a range of punishments:

- *Players will be removed from play and suspended.*
- *Teams can have points deducted.*
- *Grounds can be closed for repeat offenders.*

Together we can end hate in football.

Spread the word that discrimination of all forms will be punished. Share with your welfare officers, league and club officials, and everyone across your league and clubs.

We want everyone across grassroots football to know...

ENOUGH IS ENOUGH.
TELL US, WE'LL TACKLE IT.

Visiting Club History:

Hertford Town Football Club is a football club based in Hertford, Hertfordshire, England. We currently compete in the Southern League Division One Central and play our games at the Smile IT Stadium. Established in 1901, we began under the name ‘Port Vale Rovers’ but it was quickly renamed to ‘Hertford Football Club’ to gain recognition as the town’s main club. Following a merger with Hertford United, we were renamed ‘Hertford Town’. We joined the Eastern Division of the Hertfordshire Senior County League for the 1908–09 season, which saw us finish as runners-up. We also moved from Hartham and began to play our games at Hertingfordbury Park. We were placed in the Central Division the following season, but finished bottom and were moved into the Eastern Division in 1910. We also competed in the East Herts League which we won in 1912-13.

The following season, we retained our title and finished as runner up of the Eastern Division. Around this time, a wooden stand was built, marking our first development of the ground. During the Second World War, the league was abandoned. When it restarted in 1945, we were placed in the Central Division, finishing bottom of the table in the 1945-46 season. Despite this poor performance, we were moved back into the Premier Division the following season, but we went on to finish bottom of the table again. The wooden stand was also destroyed by a fire in 1946, topping off a poor season for us. The ground's owner passed away the following year which forced us to drop out of football for a season due to the unavailability of the ground. We returned to the Spartan League in 1948, where we were placed into Division One East. After winning the division in 1949-50, we were promoted back to the Premier Division in 1950. The late 1950s saw the next major development in our ground. Pitch drainage was improved, a wooden clubhouse was built and the ground was fully enclosed with a concrete wall. In 1959, a 300 seater stand with dressing rooms and a boardroom was completed, along with extra toilet facilities for the spectators in the ground. A four-step concrete terrace was built opposite this stand. A few years later, a six-step concrete terrace was completed at the south end of the ground behind the goal. This became known as ‘The Stable End’. Around these times, during the 1960-61 and the 1961-62 seasons, we joined the Delphian League and won back-to-back league titles. The 1962-63 season was abandoned due to bad weather but we won both the League Cup and the Eastern Section of the emergency competition. We also won the East Anglian Cup by beating Boston United 1–0 in the final, a match played at home in front of a crowd of 3,000. The Delphian League was then abandoned at the end of the season.

We, among many other teams from the Delphian League, joined the new Division Two of the Athenian League. We finished fourth in 1963-64 and earned promotion to Division One. We also went on to win the league's Memorial Shield in 1967–68. In 1974, a new clubhouse was built at a cost of over £25,000, which replaced the old wooden one. During this time, we switched leagues twice but settled in Division Two of the Isthmian League. The division was renamed Division One in 1977, and we were faced with relegation to Division Two North after finishing bottom in 1984-85. We were placed into Division three after some reorganisation from the league but earned promotion to Division Two after finishing runners-up in 1998–99. However, we were relegated the following season. On January 26th 1992, the clubhouse was destroyed by a fire and was replaced by a much smaller building. After further reorganisation from the league, we were placed in Division One North in 2002 but were quickly relegated to Division Two. After the division was disbanded in 2006, we joined the Premier Division of the Spartan South Midlands League. We finished runners-up in 2016-17 and were promoted to Division One North of the Isthmian League. At the end of the 2020-21 season which was heavily affected by Covid 19, we were transferred to Division One Central of the Southern League. In October 2021, we made more pitch developments by installing a cork-filled 3G pitch. Having this all-weather pitch has enabled us to share the ground with other clubs. In the 2022-23 season, St. Panteleimon FC used the Stadium for their home matches and in the 2023-24 season, Hatfield Town used the stadium for their home matches. In 2023, Smile IT Solutions sponsored the ground and renamed it ‘The Smile IT Stadium’. Currently, Hertford have united with Hertford Town Youth, Hertford Town Girls, Hertford Town Women's, Hertford Town’s Inclusive Team and Hertford Town’s Walking Football Team who all base themselves at the club, bringing the community together. We believe there is an opportunity for everyone at Hertford and the club can be used as a community hub

Match Reports

Ware  2 vs 1  **Leverstock Green**

Leverstock Green extended their run of games without a win to six, and fell deeper into relegation trouble as they were beaten 2-1 at Ware in Tuesday night's Southern League game.

As with Saturday's game against Royston, they paid the price for a poor first half display, and although they did enough to get something out of the game with a much improved second half performance, they had no luck in the closing stages.

The home side took the lead in the 7th minute, as a moment of defensive hesitation allowed Taufee Skandari to nip in and shoot past Finley Murray from a narrow angle. Leverstock could have levelled the game in the 27th minute as a neat passing move ended with Ademide Baruwa putting Joe McCarthy through, but McCarthy's shot went across goal and wide. Instead they were two goals down three minutes later when a free kick into the box was not adequately dealt with and Khale Da Costa blasted a shot home.

Leverstock made two changes at half time, with Arlo Coubrough and Aldo Petagine coming on, and Coubrough saw a yellow card for a robust challenge just seconds after the restart. However, in the 56th minute another fine passing move saw Leverstock move the ball upfield, and Romari Forde squared to Coubrough, who

slipped a shot over keeper Fred Burbidge to score his first goal for the club and pull a goal back.

With Ware offering little as an attacking threat in the second half, it was only a matter of whether Leverstock could rescue something from the game, and they came very close to doing so. In the 81st minute a free kick from Iker Noguera Leon found Callum Neal with a free header in front of goal, but it went wide. In the 88th minute Ashton Corder struck a tremendous shot from 20 yards out but it was kept out by an acrobatic save from Burbidge. In a goalmouth scramble from the resulting corner the ball hit the post. Leverstock kept up the pressure throughout stoppage time but the finishing touch was just not there.

Leverstock Green  1 vs 0  Stotfold

Six games without a win had seen Leverstock Green slip into the relegation zone in Southern League Division One Central, but a late strike from Ashton Corder earned them a crucial win in Saturday's home game against Stotfold.

Leverstock had Kombe Kawimbe back in the centre of defence after his three-game suspension, but Ademide Baruwa was serving a one-match suspension for accruing five yellow cards over the season.

It was a game of very few chances, with neither keeper having anything of significance to do until the 41st minute, when Leverstock keeper Finlay Murray did well to deny Elias Nichols from close range.

The second half was equally event-free for the most part. Leverstock put together their best move of the game in the 56th minute when Iker Noguera Leon threaded a pass to Arlo Coubrough, who ran on to deliver a cross that Joe McCarthy got on the end of, but couldn't keep under the bar.

The game's decisive moment came in the 84th minute, through an error by Stotfold defender Joseph Beardon, who passed the ball straight to Ashton Corder inside his own box. Corder still had keeper Liam Gooch to beat, but

showed the composure to sit Gooch down before lifting the ball over him into the net to break the deadlock.

Given Leverstock's recent stoppage time travails, there would still have been trepidation about them holding on for the win throughout stoppage time, but this time they saw the game out, with only a shot over the bar from Matty Harriott threatening their three points.

Leverstock remain in the bottom four with this result, but are now only one point adrift from the safety zone.

Marlow  1 vs 1  Leverstock Green

A point was enough to lift Leverstock Green out of the relegation zone, but again they were very close to getting all three points with Marlow netting a late equaliser after Joe McCarthy had put Leverstock ahead.

It was an excellent performance by the Leverstock side in a closely-fought game played in a good spirit. Leverstock had a chance to take the lead in the 30th minute when Iker Noguera Leon and Joe McCarthy combined on a run through the Marlow defence, but McCarthy's shot was well saved by keeper Matt Burrows. Two minutes later a defensive header intended for Burrows was intercepted by Arlo Coubrough, who tried to head it over the keeper but only headed it straight into the arms of Burrows.

Leverstock continued to play well in the second half, with McCarthy just failing to reach a superb ball across goal from Vlad Karuchok in the 49th minute. McCarthy had another chance in the 60th minute when he ran onto a through pass from Marcus Warren, but his shot was blocked over the bar.

McCarthy had the ball in the net in the 72nd minute when he headed home from a Leon free kick, but he was flagged offside. Two minutes later the flag stayed down when substitute Ashton Corder threaded a superb pass to put McCarthy clean through, and this time he kept his composure and slotted the ball under Burrows to put Leverstock 1-0 up.

The lead should have been doubled in the 81st minute. Dan Pett's pass put Timi Bada in to deliver a cross to the far post where Romari Forde was coming in unchallenged, but Forde could not keep his shot under the bar.

The Leverstock defence had been solid and disciplined all night to deny Marlow much in the way of clear-cut chances, but they were finally undone in the 87th minute by a shot from outside the box. Josh Masters' effort wasn't the hardest but it was well directed along the ground into the bottom corner of the net, out of the reach of Finlay Murray to give Marlow an equaliser that was probably deserved on the balance of play.

Biggleswade Town 1 vs 0 **Leverstock Green**

A single goal saw Leverstock Green fall to a defeat at Biggleswade Town as they were shut out for the first time since August.

The Leverstock side showed two changes from Tuesday's draw at Marlow, with Callum Neal and Marcus Warren both unavailable. Dan Casey came in for his first start of the season, and Manny Folarin played on a dual registration with Risborough Rangers.

It was another game of few chances, with Leverstock having the game's first real chance in the 28th minute. Arlo Coubrough took the ball off a defender and ran clean through to hit a shot which beat former Leverstock keeper Ashton Broome-Alexander but struck the outside of the post. The game's only goal came five minutes before half time. Leverstock cleared the ball from their own box, but it was pumped straight back in and Coree Wilson got inbetween defender and keeper to send a glancing header looping over the stranded Finlay Murray into the net.

The home side went close to adding a second goal five minutes into the second half, but Dan Newton shot over the bar from close range after a free kick was flicked on across goal. Leverstock were unable to create much in the way of chances against the solid Biggleswade defence. In the 79th minute a cross from Joe McCarthy found Ashton Corder, but his shot went over the bar. Two minutes from time a great pass from Corder put Lucas Hammer through on goal. The youngster had the chance to send a lob over Broome-Alexander, but instead opted to square to

McCarthy, who couldn’t control the ball and the danger was cleared by a defender.

Biggleswade were denied a second goal in stoppage time firstly by a great save from Murray, then a goalline clearance from Folarin on the follow-up effort.

THE debate around the 3pm Saturday TV blackout has popped up again!

Even Prime Minister Andy Burnham had his say on Article 48 of the UEFA Statutes that prevents games in this country being shown on live TV between 2.45pm and 5.15pm on Saturdays.

“I would urge a bit of caution because it does protect the income of lower-league clubs,” he said.

“If you have effectively wall-to-wall Premier League football at any time, it takes away perhaps the incentive to go and watch the Football League or Non-League.

“So I think it has to be considered carefully. I’m not going to take the pure consumer view here. I’ll take the health-of-football approach to this particular issue.”

So why now? Next year the Premier League and EFL are reportedly set to hold discussions about its future. Taken in the context of the existing TV deals running to the end of the 2028-29 seasons, it makes sense to talk about it.

There are some who think it's outdated and time to get rid. Others argue that would be to the complete detriment to lower league football and the vital revenue streams.

So maybe it is time to have the debate properly. And Non-League football must be in the room and at the table when it does.

"We have one of the strongest football pyramids in the world, with excellent matchday attendances deep into the Non-League game," Football Supporters' Association chair Tom Greatrex said. "In the fifth-tier National League the likes of Carlisle United and Southend United often draw crowds of seven or eight thousand."

"Those are attendances that many other country's top-flight leagues would look at jealously, so the Prime Minister is right to point out the value of the blackout to clubs further down the pyramid, and to urge caution over the impact rushed change could have on the overall health of the game."

The pyramid in this country is the envy of football. The attendances seen right down through the levels are unmatched anywhere else.

No other country is getting regular four-figure crowds in its eighth and ninth tiers.

No one has the same depth and heritage throughout its whole system as English football.

Anything that potentially threatens that surely isn't worth considering.

Because once the toothpaste is out of the tube, you can be sure it won't go back in.

A few words about KitAid

KitAid is a charity set up by, Derrick Williams MBE, who visited Tanzania on a WaterAid supporters' trip in 1998. Derrick, being a mad footie fan, was amazed at the reception he received from children and adults in remote villages just because he was wearing one of his favourite football shirts (he follows Watford, Liverpool and Chesham Utd).

After two weeks in Tanzania, a flame was lit in Derrick's heart, and he was on a mission to provide kit and equipment to the bare-footed children playing with footballs made of tied string and plastic bags. Twenty-one years on, KitAid has lots of volunteers and to date we've sent out 900,000+ kits to children and adults in 55 different countries across the world.

How to donate

If you'd like to support the KitAid cause, the easiest way to donate your unwanted football kit, in order for us to find it a new home.

Alternatively, if you don't have any unwanted kit, but would still like to support us, we're very grateful for any donations which will help to fund our annual costs as well as support other partnership charities where possible.

We thank you for all your support.

In working in some of the most under-privileged countries around the world, The Football Association is no stranger to seeing the impact the donation of something as simple as a shirt or a pair of shorts can make. KitAid has brought an enormous amount of pleasure and enjoyment to young and old alike through the gift of football kit and has shared the spirit of British clubs and the England team with communities in all corners of the globe. We are proud to be associated with KitAid and wish them all the best in their endeavours for the years to come.
